I sit beside the fire and think
of all that I have seen,
of meadow-flowers and butterflies
in summers that have been;

Of yellow leaves and gossamer
in autumns that there were,
with morning mist and silver sun
and wind upon my hair.

I sit beside the fire and think
of how the world will be
when winter comes without a spring
that I shall ever see.

For still there are so many things
that I have never seen:
in every wood in every spring
there is a different green.

I sit beside the fire and think
of people long ago,
and people who will see a world
that I shall never know.

But all the while I sit and think
of times there were before,
I listen for returning feet
and voices at the door.

Fall Sports

Soccer

This year's soccer team had a successful season under Coach Tom Brownell. This was Coach Brownell's final season of coaching at East. He finished with a winning record of 22-22-5. We want to thank Coach Brownell for a fine job of coaching and the best of luck in the future. Next year's team will be coached by Chuck Walters. Good Luck East!

Under the direction of Jerome Biffle, East High's golf team finished in 4th place. Outstanding performances by our state medalist, senior Scott Madson, and junior Weston Hahn helped in East's success. With Weston Hahn returning to lead next year's team and sophomores Jack Nuanes and Peter Groff improving, next year's team should be even stronger.

Football

The East High Angels have reason to be proud of this year's football team! Although the number of team members was small, the team made up for this with exuberance of spirit, and tremendous ability. Some of the more outstanding players are; Spence VonStrohe, Clarence Thatch, Tom Keliiholokai, Andy Motz, Bob Matney, and George Cooksey. However, we would like to congratulate all other members.

Despite the lack of support, the team generated enough enthusiasm to compensate for the lack of spectators and spirit. We were fortunate enough to have Peggy Clarke, one of D.P.L.'s top scorers, and Angela Holmes, the most improved on the team. All players showed great effort and next year at least three starters will be back.

Dance

This years homecoming dance was a great success. The lunchroom was changed into a beautifully lit dance floor. Handsome couples danced to the music provided by Ron O'Jay of KDKO radio station. Chosen for homecoming queen was Chris Keables and king was Clarence Thatch.

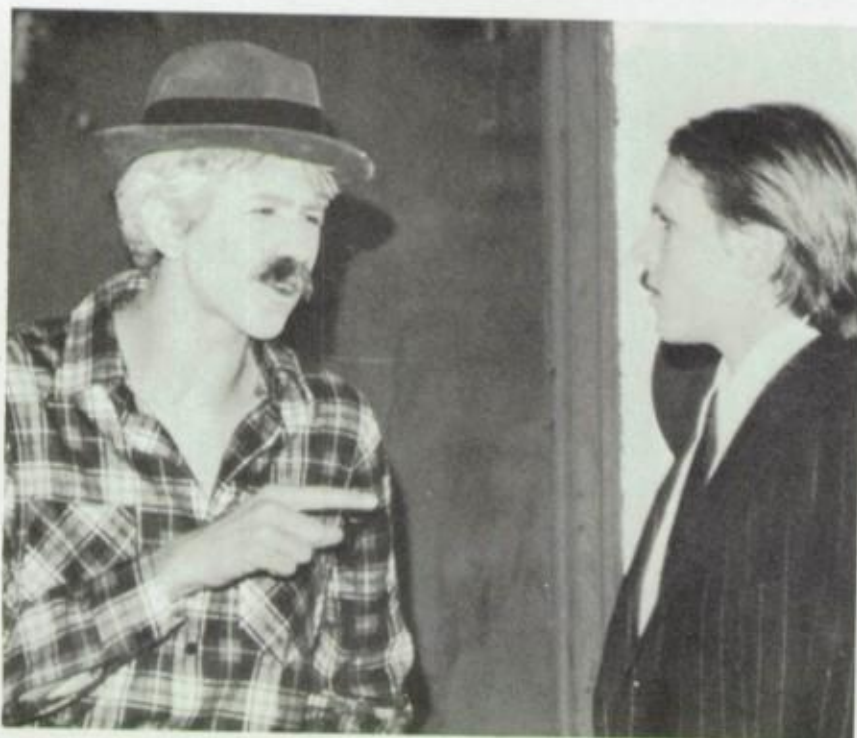

YOU CAN'T TAKE IT WITH YOU

The eccentric, amusing play, "You Can't Take It With You" was a fantastic fall production. The hard work and effort of the fifty members of the cast and production staff, under the direction of Catherine Davis with technical direction by Lloyd Torres made the three performances in mid October a terrific success.

Head B Head Girl

Many times in the past I have searched for a key to open the doors to all my problems. Thanks to all the nice and sweet people at East who have in some way or another shown me that you can make it in a world so full of confusion. May you all find success and peace along the way.

Clarence Thatch

Mary Haynes

The office of head girl isn't as glamorous as it is made out to be. When I first took office I had dreams of changing many things. Of these things, I have accomplished some but not by myself. It has taken a lot of work from student council, the administration and the student body to help get these things done.

This is the end of a decade that has seen many changes at East; the rebellions of the early seventies that carried over from the sixties, the mid-seventies which began court ordered busing and then there is we, who struggle to find a cause, something we can fight for.

After a storm the rainbow holds all dreams
And we shall strive in this calm air.
It has been a pleasure and a privilege to serve East High as head girl. I thank you most humbly.

Karen,
you have to
be one of the sweetest
people I've ever known.
It's been great this year
and I hope we'll have fun
next year at CSU. Try not to
make yourself a stranger and come visit
me next fall. I'll do the same! Have a
nice summer and take
care.

Love,
Clay

Karen,
 It's been fun
 having you as my cross-the-
 street neighbor. I guess we
 have been friends for a long
 time. And hopefully for a long
 long time to come. I hope when
 you Graduate that you won't
 forget us "little people still here."
 But please always look forward
 for the good times. Life is too
 short to waste, so,

The Road goes ever on and on
 Down from the door where it began.
 Now far ahead the Road had gone,
 And I must follow, if I can,
 Pursuing it with eager feet,
 Until it joins some larger way
 Where many paths and errands meet.
 And whither then? I cannot say.
